

My Nurse Made the Difference Contest

Every day, Rice nurses ...

provide outstanding service to Rice Hospital patients and Rice Care Center residents. Many times these exceptional contributions go unnoticed.

Each year, Rice sponsors ...

a contest entitled, "My Nurse Made the Difference," which gives our patients, residents, and their loved ones an opportunity to express their appreciation to the nurses who made a difference in their lives.

Has a Rice nurse provided you or your loved one with exceptional care?

Honor that nurse by nominating her/him for the "My Nurse Made the Difference" Contest. Write a short letter describing the outstanding nursing care received. Letters should include specific examples of how the nurse demonstrated **compassion, leadership, and creativity.**

First prize is a \$150 savings bond for the nurse and the person who nominated the nurse. Winners will be announced in May 2012. For more information, please call Doreen Haglund at 320.231.4224.

Nomination letters are due by Monday, March 26, 2012.

Include your nurse's name, plus your name, address, and phone number.

Mail or email your nomination letter to:
