

RRC Kids take 2nd place in Kiddie Parade

June 25, 2009 – One of the most family-fun events that takes place during Willmar Fests has to be the Kiddie Parade. The staff of Rice Rehabilitation Center (RRC) once again organized their youngest family members to enter this year's Kiddie Parade and won 2nd place for their efforts. With the theme, "Our Children, Our Future," they asked the kids to dress as what they wanted to be when they got older. As a result, the kids wore a variety of costumes, including: princess, nurse, UPS dude, McDonald's clerk, construction worker, carpenter, gardener, artist, farmer, cowboy, teacher, and vet. Very creative! Last year, the crew won third place in the float division.
